16 to 19 Tuition Fund statement

What is the 16-19 tuition fund?

The 16-19 tuition fund is one off funding for the 2020/21 academic year that is ring fenced for schools to support students and mitigate disruption to learning arising from the COVID-19 pandemic. LGGS has received

The funding is being used to provide small group tuition for 16-19-year olds where their learning has been disrupted and they have a GCSE Maths and / or English grade of 5 or below. Although targeted students are identified based on their prior attainment in English and Maths, the funding can be used to support students in their learning across a variety of subjects. LGGS have received £445.

Examples of disruption that these students have faced / will face include assessments being deferred due to lockdown or self-isolation, falling behind in their learning due to long / multiple periods of self-isolation and not being able to keep up with their work due to positive COVID-19 cases.

How will LGGS use the funding?

We are using the funding to provide additional 1:1 support to small groups of students that have not yet achieved a grade 5 in English. Within this cohort targeted student intervention will be focused on as follows:

- Developing organisational and study skills
- Developing literacy and essay writing skills

The funding has been used to contribute to the salary costs of the Sixth Form Learning Mentor. This statement is in line with the Government guidance and we have published this statement to demonstrate how this additional funding will be utilised in the academic year 2020/21. This document may be updated to reflect any changes in ESFA guidance.
