What next???

- Check with your parents that you can make the dates for training and expeditions, these can't be moved.
- Check online or with me what activities can be completed in each section.
- On enrolment your start date will be 1st September 2018, so you can start logging activities from the start of this term.
- Collect Activity Log sheets from the DofE noticeboard, outside Room 11. There are three, one for each section except Expedition.
- Complete the Activity sheet with your choices for my records.
