LGGS COUNSELLING SERVICE ...

All of our Counsellors are highly qualified with considerable experience of working with both adults and young people and are presented with a wide range of issues.

We now have three part-time Counsellors working within the school;
Mrs Rosemin Hussain, Chavala Parker and Richard Wyatt.

Together they offer counselling to students from Year 7 to Year 13.

If a student would like to access counselling, they can self-refer by speaking to a teacher or emailing:

help@lggs.lancs.sch.uk

Appointments are confidential and are available during the school day and at lunchtime.

Mrs Marie Roberts
Coordinator of Student Well-being.

If any parent has queries about the Counselling Service, please do not hesitate to contact me.

Rosemin Hussain is a BACP registered counsellor. Rosemin is professionally trained and qualified having achieved a diploma in Cognitive Behavioural Therapy and a BA (Hons) degree in counselling. Rosemin has experience of working with both adults and young people and is presented with a wide range of issues in private practice and within other organisations. Rosemin predominantly offers counselling to our sixth form students on a Thursday and Friday.

Chavala Parker is a qualified Person-Centred Counsellor, who qualified in 2009 from the University of Central Lancashire achieving a BSc, Graduate Diploma and Postgraduate Diploma in Counselling and Psychotherapy. She currently works with children and young people in schools, organisations and within her own private practice. Chavala works predominantly with Years 7, 8 and 9 on Monday and Wednesday.

Mr Richard Wyatt has worked at the school since 2011. Richard is a qualified Person-Centred Counsellor, who graduated in 2008 from the University of Cumbria with a Diploma. He also currently works in a community drug and alcohol treatment centre in Blackburn and in private practice. Richard predominantly works with students in Years 10 and 11 each Wednesday and Friday.
